Members Absent: Drs. Harry Jones, Williams Hunter III, Scott Edwards

This meeting convened at 7:32 a.m. CST in Salon 3 of the Franklin Marriott Cool Springs.

Fellowship Award: Dr. Montgomery thanked the committee for encouraging their districts to have the nominations for Fellowship Awards to the TDA office by the due date. Unfortunately, a few districts were not able to have a nomination submitted. All districts were encouraged to be sure that if their district has a Fellowship Award nomination that it be submitted by the due date. The TDA office will inform the committee members and districts of the nomination dates for 2019.

Volunteer Award: The committee discussed the change of the Volunteer Service Recognition Award to a more "survey" style that would be of better use to the TDA. It was felt that the change was productive and agreed that a more focused approach for 2019 be created.

Jack Wells Award: The new and updated Jack Wells Award was displayed. All members felt that this was an improvement to the previous award.

Board of Dentistry: There was discussion about the need for more diverse recommendations for the members of the Board of Dentistry as requested by Governor Haslam's office. All districts were encouraged to determine TDA members that would be good members of the Tennessee Board of Dentistry. The TDA office will set a deadline for recommendation of nominations to the Council on State Agencies so that they can be submitted to TDA Board of Trustees 2018 Fall Meeting.

Adjourned: Meeting was adjourned at 7:56 a.m.
